Advanced Leader Training

Wood Badge is the highest-level training program for adult Scout Leaders in all scout program areas and Scout Professionals.

You will learn how to be a better leader, manage conflict, and develop your adult & youth leaders so they can effectively plan projects and achieve objectives. The first section is practical training which takes place in a camp setting; during this portion of the course you will learn and practice a variety of leadership skills. During the second section, you will apply your newly acquired skills to complete five goals of your choosing.
